YOUR BEST BUSINESS DECISION

Excellence in Customer Services

Innovation in Telephone Sales – Customer Care as a profit source!

Ask yourself the following questions and if you can't say YES to all of them then your Sales Team needs to brush up on their skills!

- Do your telesales staff display enthusiasm?
- How fresh are they in their sales approach?
- Have they missed something 'great' about your business?
- Do they have the essential product and industry knowledge?
- Do they have a competitive attitude?
- Do they have the core skills – to question, listen, clear messaging and writing?

What are the good habits and behaviours of a good Telesales person?

- How do they structure and plan their day?
- What is their desire to cold call?
- What are their sales results and priorities like?

**"We're a Limited Partnership.
We're limited by Allen's pessimism,
Elizabeth's abrasive personality, and
Dave's refusal to work weekends."**

Did you know your company may be eligible for Training Funding of up to £1,000?
